## **Organization Restructuring Effective April 1, 2025**

Mitsui Chemicals, Inc. (Tokyo: 4183; President & CEO: HASHIMOTO Osamu) today announced that it will implement the following organization restructuring on April 1, 2025, to further the promotion of the Group-wide Basic Strategy under the VISION 2030 Long-Term Business Plan.

### 1. Details

#### (1) Establishment of Regional Strategy Division

Change the name and responsibilities of the Affiliates Coordination Division and establish the Regional Strategy Division.

#### (2) Transfer of sector for Mitsui Chemicals Asahi Life Materials Co., Ltd.

Nonwovens company Mitsui Chemicals Asahi Life Materials Co., Ltd. is aiming to bolster its efforts for industrial materials as a key segment. In order to accelerate business growth in the ICT sector going forward, the company will be transferred out of the Life & Healthcare Solutions Business Sector and become a direct affiliate under the ICT Solutions Business Sector.

### 2. Organization chart

Refer to Annex 1: Division-level organization chart

### 3. Effective date

April 1, 2025
