Mitsui Chemicals Group to Exhibit at Propak Africa 2025

Mitsui Chemicals Europe GmbH (Headquarters: Germany, President: Takeo Okuyama), a 100% subsidiary of Mitsui Chemicals, Inc. (Headquarters: Chuo-ku, Tokyo, President & CEO: Osamu Hashimoto), will exhibit at "Propak Africa 2025" held in Johannesburg, South Africa from March 11 to March 14, 2025.

This is the first full-scale exhibition for the Mitsui Chemicals Group in the African market, and we plan to participate in exhibitions in Kenya and other parts of Africa in the future.

The Mitsui Chemicals Group is focusing on the development of emerging markets as part of its regional strategy, and in the African market, which is expected to grow in the future, Mitsui Chemicals Group will accelerate our business development while grasping local needs.
