Mitsui Chemicals to exhibit at Automotive Engineering Exposition 2026

Mitsui Chemicals, Inc. (Tokyo: 4183; President & CEO: ICHIMURA Satoshi) will exhibit at the Automotive Engineering Exposition 2026, which will be held from May 27 to 29, 2026 at PACIFICO Yokohama and from June 17 to 19 at Aichi Sky Expo.

At the booth, under the themes of Carbon Neutral, Circular Economy, Collaboration and Co-creation, and Solutions, Mitsui Chemicals Group will present over twenty themes. These include a variety of unique materials, materials and solutions for 3D printing, and Materials Informatics (MI) analysis at our Digital Science Lab™, our research and development center that accelerates digital transformation.

Advance registration is required for this event, so please register on the website listed at the end of this article before attending. *1
